

March 5, 2021 ~ Honorable Co-Chairs Senator Winfield and Representative Stafstrom,
Ranking Members Senator Kissel and Representative Fishbein and members of the
Judiciary Committee:

**SUPPORT - HB 6491 - An Act Concerning Non Lethal Electronic Defense
Weapons**

I am writing you today in strong support of 6491. I think this bill is very important for those who may choose not to carry a legal licensed firearm for self-defense of their person, particularly in these unsettling and lawless times.
